2021 ANNUAL REPORT

MESSAGE FROM THE COMMISSIONER

It is my honor to present the 2021 Annual Report for the Arkansas Insurance Department (AID) as the Arkansas Insurance Commissioner.

I am proud to report that Arkansas continues to aggressively recruit new companies to do business in our state. We welcomed **23** new insurance companies in 2021, pushing our total to **165** new businesses since 2015.

I am further proud to report that we **increased individual agent licensure by more than 38.5%** in 2021. At the end of 2021, AID licensed **222,713 insurance producers and adjusters**, as well as **13,138 business entities** - a **25%** increase from 2020.

The growth of producers and businesses in 2021 resulted in **\$19.7 billion** in gross direct written premium for the year, a nearly **\$1.81 billion** increase over 2020. Compared to 2015, AID has increased direct written premiums in Arkansas by **\$7 billion annually**.

In the last fiscal year (FY22), the Department collected nearly **\$445 million** in taxes and fees. AID operations in FY22 cost just under **\$11 million** – **less than 2.5%** of FY22 revenue.

While the Department increased opportunities for the insurance industry in 2021, it also made bold moves to protect consumers and do right by Arkansas taxpayers. In 2021, our Consumer Services Division **recovered more than \$5.1 million** for Arkansas policyholders, while AID's Legal Division **collected more than \$1.25 million** in restitution/recoveries for Arkansas consumers.

We continue to stay true to our mission of protecting Arkansas consumers by providing timely assistance and information while we efficiently regulate the insurance industry's market behavior and financial solvency.

Assistant Deputy Commissioner.....Mary Davis

The Accounting Division collects and oversees fees and premium taxes from all insurance companies conducting business in the State of Arkansas. It also handles all purchasing and accounts payable to the Department, and develops our annual budget.

The Arkansas Insurance Department is a dedicated funding agency, meaning that it derives none of its operating revenue from either premium tax collections or general revenue.

The agency is funded by fees and assessments imposed on entities regulated by the Department which are deposited in the Insurance Department Trust Fund.

Companies pay insurance premium taxes using the *OPTins* online service, which can be accessed via the Department's website. Taxes collected by the Department are deposited in the General Revenue Fund, Arkansas Works Trust Fund, and other funds as designated by statute.

COMPLIANCE DIVISION

Insurance.compliance@arkansas.gov • 501.371.2800

Director.....Jimmy Harris

The Compliance Division is responsible for monitoring and regulating the rate and form filing activities of all insurance companies transacting business in the State of Arkansas. Insurers selling Life, Health, Property, and Casualty coverage in Arkansas must submit their forms for approval, which are reviewed to ensure compliance with state laws.

Additionally, insurers must file the rates that they charge for health, property, and casualty personal lines of insurance, as well as workers compensation and professional malpractice coverages.

Insurers file form and rate requests to the Arkansas Insurance Department (AID) through the System for Electronic Rate and Form Filings (SERFF) provided to the Department by the National Association of Insurance Commissioners (NAIC).

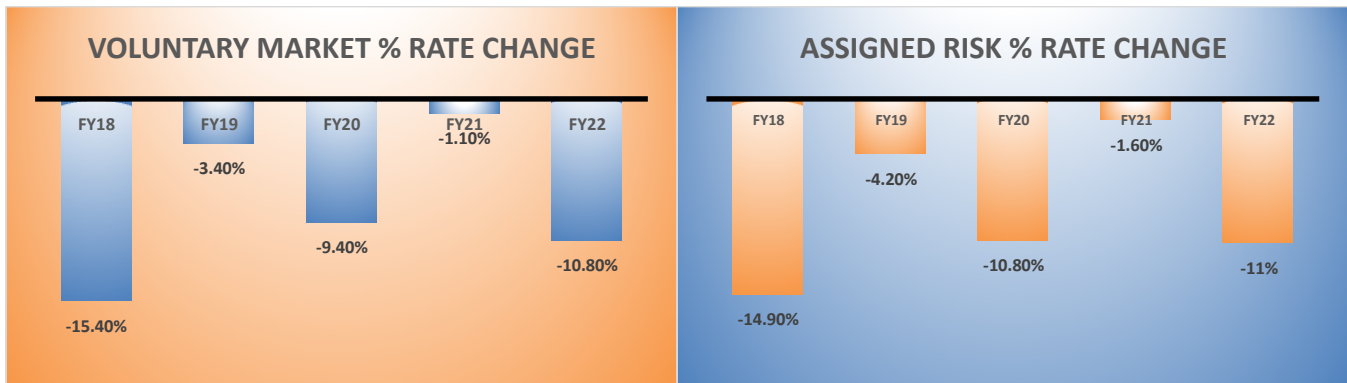

AID makes the non-proprietary portions of these filings available to the public via a link to SERFF on the Department's website, which can be viewed free of charge.

CONTINUED DECLINE IN WORKERS' COMPENSATION RATES

A dramatic decrease in the number of work-related injuries in past years has resulted in a decrease in the cost that the majority of Arkansas employers pay for workers' compensation insurance.

The significant rate reduction shows that policies in Arkansas are making it a welcome place for business and new employment opportunities.

The Department recognizes our state's employers and workers who mind workplace safety to keep costs low.

Insurance.fraud@arkansas.gov • 501.371.2790 • 866.660.0888

Deputy Commissioner.....Paul Keller

Deputy Director.....Pat O'Kelley

Managing Attorney.....Dan Reber

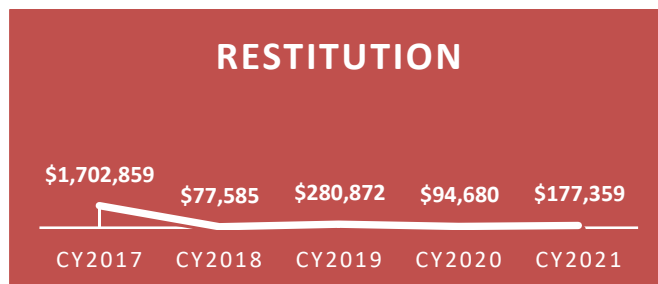

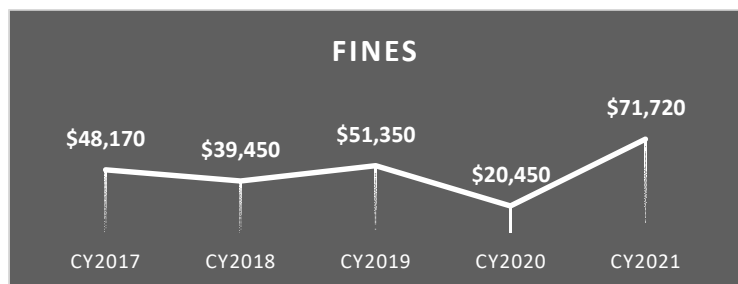

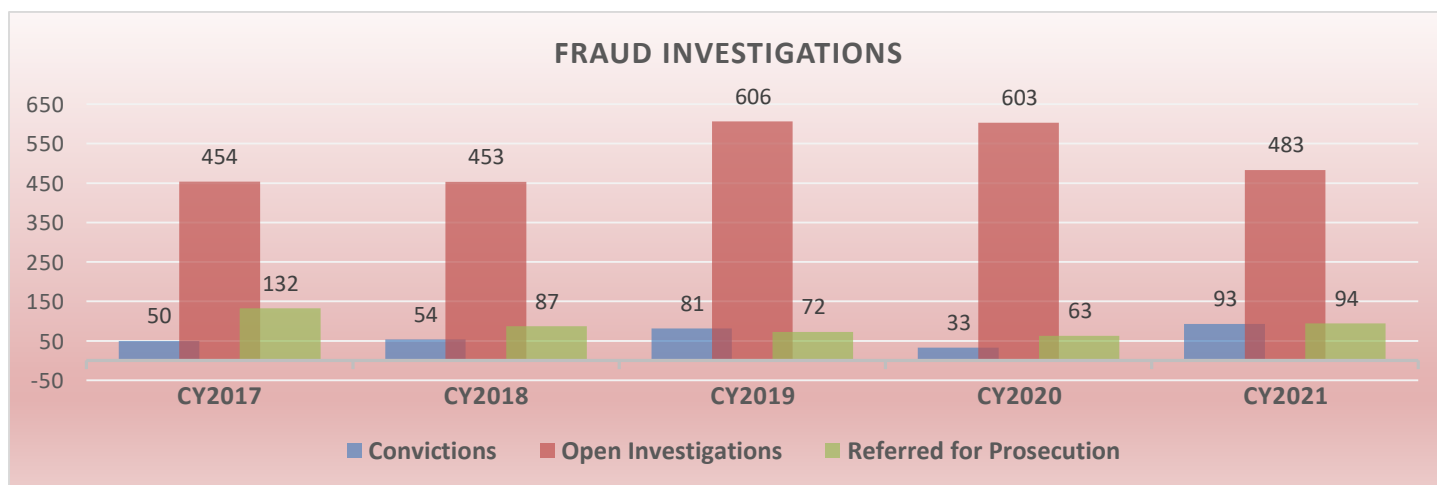

The Criminal Investigation Division (CID) investigates and prosecutes all categories of insurance fraud. CID was created by the Arkansas General Assembly in 1993 to investigate workers' compensation fraud.

In 1997, the Legislature expanded CID's mandate to include all other types of insurance fraud and in 2001, CID received full law enforcement status and statewide jurisdiction.

Investigations that result in a finding of a criminal violation are referred to the appropriate prosecuting attorney's office. Division attorneys are authorized to be appointed as special deputy prosecuting attorneys.

Insurance fraud is not a victimless crime. Every year thousands of Americans fall prey to the schemes that cost them their hard earned money. It is estimated that insurance fraud costs Americans \$80 billion to \$120 billion a year.

A suspected case of insurance fraud may be reported anytime by calling the toll-free number 1-866-660-0888.

- Converting paper documents to electronic format for easy retrieval; and
- Refining work processes through application development.

By executing its strategy of leveraging up-to-date, state-of-the-art software and systems technology, the division continually increases Department productivity.

As a result, the Department has seen minimal staff growth in the face of continued increases in the size of regulated industry in Arkansas, as well high premium tax collections and revenues.

RISK MANAGEMENT DIVISION

Insurance.risk.management@arkansas.gov • 501.371.2690

Director..... Randy Robinson

The Risk Management Division was established to minimize the cost of property and casualty insurance and fidelity bonding to state and school agencies; and to analyze and make recommendations on loss prevention and safety programs to protect public assets. The Division currently serves 218 public entities on reported property insurance schedules of 8,870 buildings with reported insured value of over \$19.79 billion. The Division currently serves 201 public entities on reported vehicle insurance schedules of 11,072 vehicles with reported insured value of over \$300 million.

In 2004, the Risk Management Division assumed the additional responsibility of providing insurance coverage, consulting, and loss prevention services to public school districts that choose to participate in the Arkansas Public School Insurance Trust (APSIT) Fund insurance plans.

The Division is staffed with professionals who provide production underwriting and loss prevention services at no additional cost to participating governmental entities for the entire spectrum of the highly technical and complex areas of risk management of property, casualty and fidelity insurance. The knowledge and skills of the division staff bring a high level of success to the programs managed by the division.

An extensive knowledge of governmental operation allows the Risk Management Division staff to provide consultant services as well as insurance and loss prevention experience at a minimal cost to taxpayers.

In the wake of ever-increasing cyber-attacks on governmental agencies, the Risk Management Division has added cyber liability insurance coverage for participating state governmental entities.

Additionally, the Risk Management Division provides staffing for the Self-Insured Fidelity Bond Program and serves the Governmental Bonding Board. This self-funded program was established in 1987 and provides fidelity bond (employee dishonesty) insurance coverage for all state, county, and municipal governments, and public school districts in Arkansas pertaining to hundreds of thousands of employees.

ARKANSAS STATE VEHICLE SAFETY PROGRAM

The Risk Management Division, in cooperation with the DF&A - Office of Driver Services, manages the State Vehicle Safety Program (VSP) pertaining to tens of thousands of state drivers operating 5,824 state scheduled vehicles.

The program involves record keeping and review of driver Traffic Violation Record information (accessible on the DFA-Office of Driver Services SVS website), which fulfills underwriting and bid specification requirements for the auto insurance.

The division updates the VSP when necessary for underwriting purposes, as well as to achieve premium saving and market placement of the state's commercial fleet insurance.

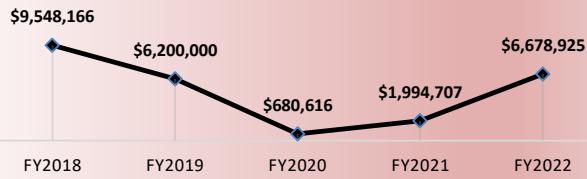

All state agencies that participate in the Arkansas Multi Agency Insurance Trust (AMAIT) Fund vehicle insurance policy are required to participate in the VSP, as are all drivers operating a state vehicle or private vehicle on state business.

INSURANCE DEPARTMENT HISTORY

**AID'S FIRST COMMISSIONER
BRUCE T. BULLION (1917-1924)**

The work of the Arkansas Insurance Department was initially placed in the office of the Auditor of State by law. The original "Insurance Bureau" was established in the Auditor's office by the Act of April 25, 1873 with the Auditor being charged with the execution of the laws of the state relating to insurance.

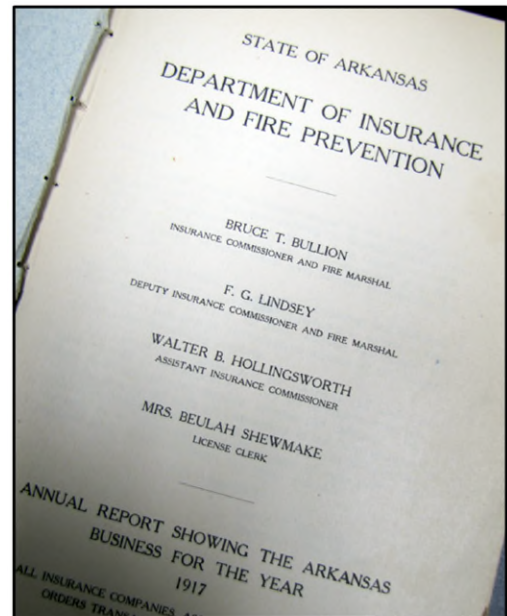

Recognizing the greatly increased volume of work required to be done by the Insurance Bureau, the Arkansas General Assembly created the State Insurance Department via Act 190 on March 7, 1917. The Act created the Department headed by the Arkansas Insurance Commissioner appointed by the Governor with the consent of the Senate.

The first State Insurance Commissioner was Bruce T. Bullion of Conway who served from 1917 to 1924.
